## APPENDIX 3A

Regulation II/4: Mandatory minimum requirements for certification of ratings forming part of a navigational watch

Every rating forming part of a **navigational watch on a seagoing ship of 500 gross tonnage or more**, other than ratings under training, shall be duly certificated to perform such duties.

Every candidate for certification shall:

- .1 be not less than 16 years of age;
- .2 have completed:
  - .2.1 approved seagoing service including not less than six months training and experience, or
  - .2.2 special training, either pre-sea or on board ship, including an approved period of seagoing service which shall not be less than two months; and
- .3 meet the standard of competence specified in section A-II/4 of the STCW Code.

Seafarers may be considered to have met the requirements of this regulation if they have served in a relevant capacity in the deck department for a period of not less than one year within the last five years.

## APPENDIX 3B

Regulation III/4: Mandatory minimum requirements for certification of ratings forming part of a watch in a manned engine-room or designated to perform duties in a periodically unmanned engine-room

Every rating forming part of an **engine-room watch or designated to perform duties in a periodically unmanned engine-room on a seagoing ship powered by main propulsion machinery of 750 kW propulsion power or more**, other than ratings under training, shall be duly certificated to perform such duties.

Every candidate for certification shall:

- .1 be not less than 16 years of age;
- .2 have completed:
  - .2.1 approved seagoing service including not less than six months training and experience, or
  - .2.2 special training, either pre-sea or on board ship, including an approved period of seagoing service which shall not be less than two months; and
- .3 meet the standard of competence specified in section A-III/4 of the STCW Code.

Seafarers may be considered to have met the requirements of this regulation if they have served in a relevant capacity in the engine department for a period of not less than one year within the last five years.
