Working Hours : 24 hours daily including Sundays and Public Holidays.

Craft : Please refer to **ANNEX A** for the list of craft for deployment in the working area.

These craft will exhibit the appropriate local and international day and night signals.

Details : Flat top barges will be used for the delivery of materials from port to work site, berthed alongside with crane barge.

Crane barge will be used to hoist the piling machine and drive the permanent piles into the seabed. All piling materials will be delivered by sea to the site and lifted by crane barge onto the work barge for installation.

Access to barges will be through the existing ramp/temporary jetty to the working area by passenger/working boat.

All the temporary work to be removed and cleared from site upon works completion.

Further enquiries relating to the project can be directed to Mr. Loi, Project Manager at
