2 For the flying rehearsals and displays, a line, of approximately 500m long, consisting of 6 floating platforms of 20m x 3m each will be deployed within the prohibited area as demarcated in the attached chartlets. Each floating platform consists of stanchions of 1.2m height with banners secured facing the Changi Exhibition Centre. These individual platforms are linked by ropes 80m to 100m apart. The two ends of each floating platform will be marked with safety lights at night. The floating platforms will be placed in position from 29 Jan 2026 till 8 Feb 2026. Vessels are required to keep clear of these floating platforms.

3 For safety reasons, **all vessels are required to keep clear of the sea area within a radius of one nautical mile (1852m) from the centre of the floating platform** as demarcated in the attached chartlets during the flying practices, rehearsals and display times as indicated above.

4 Masters, owners and agents of vessels of 2,000 GT and above or with a height exceeding 30m above the waterline, are reminded of the requirement to comply with the VHF reporting procedures for vessels manoeuvring in the East Johor Strait. (Please refer to **Port Marine Circular No. 41 Of 2020 - VHF Radio Telephone Reporting Procedures For Vessel Manoeuvring Within The Traffic Information Area (TIA) In The East Johor Strait**.)
