### PORT MARINE CIRCULAR NO. 34 OF 2021

22 July 2021

Harbour Craft and Shipping Community

### **NEW VOLUMETRIC FEE ON LIQUEFIED NATURAL GAS (LNG) CARGO OPERATIONS BY MPA-APPROVED FLOATING STORAGE UNITS / FLOATING STORAGE REGASSIFICATION UNITS BERTHED AT MPA-APPROVED BERTH TO SUPPORT LNG BUNKERING AND BREAKBULK ACTIVITIES IN PORT**

Port Marine Circular No. 28 of 2021 dated 1 July 2021 had informed the harbour craft and shipping community of the Maritime and Port Authority of Singapore (MPA)'s new harbour craft port dues concession to support the deployment of MPA-approved FSUs/FSRUs in Singapore for LNG bunkering and breakbulk activities.

2. To ensure a level playing field for the deployment of such MPA-approved FSUs/FSRUs in Singapore berthed at an MPA-approved berth, whether at a privately-operated wharf or public-licensed terminal, with effect from 23 July 2021, MPA will impose a new LNG volumetric fee<sup>1</sup>, which is as follows:

Per tonne of LNG or part thereof discharged from MPA-approved FSU/FSRU at its approved berth	Per tonne of LNG or part thereof loaded onto MPA-approved FSU/FSRU at its approved berth
Nil <sup>2</sup>	20 cents

Private wharfage charges will not apply to such operations.

<sup>1</sup> The 'LNG volumetric fee' will be imposed under paragraph 6A of the MPA (Scale of Dues, Rates and General Fees) Notification, which will come into effect on 23 July 2021. Please refer to the MPA (Scale of Dues, Rates and General Fees) (Amendment No. 2) Notification 2021.

<sup>2</sup> No LNG volumetric fee will be charged on LNG cargo which is discharged from an MPA-approved FSU/FSRU to another vessel or to ISO tanks at the MPA-approved berth.

3. For queries relating to the LNG volumetric fee, please call the MPA hotline at 1800 272 7777 or email [ar\\_mpa@mpa.gov.sg](mailto:ar_mpa@mpa.gov.sg).
