PORT MARINE NOTICE  
NO. 162 OF 2013

## **REVIEW OF PORT DUES**

With reference to Port Marine Notice No. 47 of 2013, we would like to remind the Shipping Community that revisions to the port dues tariffs that would benefit, or have no cost impact on, the industry have taken effect from 1 July 2013, while those that would lead to an increase in port dues payable will take effect from 1 January 2014.

2 MPA will provide a transitional bill for every vessel that is still in port as at 31 December 2013, to the port agent. Thereafter, the new rates for different pricing categories of port dues effective from 1 January 2014 will be reflected in the new bills.

3 The revised port dues tariff and FAQs can be found on MPA's website ([http://www.mpa.gov.sg/sites/port\\_and\\_shipping/finance/finance\\_index.page](http://www.mpa.gov.sg/sites/port_and_shipping/finance/finance_index.page)) from 18 December 2013 onwards.
