REVOLVING FUND COMMITTEE (RFC) LOGO DESIGN COMPETITION

The Revolving Fund was established on 11 February 1981 through a Memorandum of Understanding (MOU) signed between the Indonesia, Malaysia, Singapore on one part, and the Malacca Strait Council (MSC).

2 The Revolving Fund was set up with a principal sum of 400 million yen contributed by the MSC. Any of the three littoral States of the Malacca and Singapore Straits (i.e. Indonesia, Malaysia and Singapore) is allowed to draw cash advance from the Revolving Fund for use in combating oil pollution caused by ships. The amount drawn will be repaid to the Fund when the State recovers the clean-up costs from the parties responsible.

3 Under the MOU, each littoral State of the Malacca and Singapore Straits, i.e., Indonesia, Malaysia and Singapore, will manage the Fund on a rotational basis for a period of five years each. Malaysia is currently managing the administration and operation of the Fund.

How will the winning design be used?

4 The winning design will be used as RFC’s logo in the RFC website and all other RFC publications.

How can you take part in the RFC logo design competition?

5 This competition is open to all Singapore citizens and permanent residents. Each participant may submit only one design entry.

6 Tap on your creative juices to design a unique logo for the RFC. Submit your design in jpeg, psd or bsp format and tell us more about it in less than 200 words. Send in your entry together with your name and contact details to RFC_logo_competition@mpa.gov.sg by 31 December 2019.

7 Only shortlisted entrants will be notified.
