4. Ship owners/managers/agents must apply for crew change in Singapore by filling up the online form at www.mpa.gov.sg/web/portal/home/port-of-singapore/operations/crew-change. As MPA expects a high volume of applications, we urge ship owners/managers/agents to submit applications at least 14 days before the planned crew change, especially if the application includes sign-on crew. For foreign-flagged ships, crew change will be considered if the ship meets all prevailing requirements, and are in Singapore for cargo operations, bunkering and/or other marine services.

These will house sign-on crew that are waiting for their ships’ arrival for up to 48 hours, and a quarantine facility to house close contacts of crew who are tested positive for COVID-19. There will also be an on-site medical service provider for healthcare services within the CFC. Please refer to Annex B for details of the designated holding facilities.
