(ii) Instant Information Printout from ACRA for licensing in the name of a corporate body.

(b) PROOF OF OWNERSHIP
Bill of Sale, Charter Agreement, Builder's Certificate, Hull Receipt or Invoice.

(c) PROOF OF ORIGIN OF VESSEL
Launching or Import Permit, General Arrival Declaration, whichever is applicable.

(d) INSURANCE POLICY
A marine policy covering third party liabilities including wreck removal and personal injuries. (See Para 3 – Insurance).

(e) CRAFT’S MANNING
MPA Manning Licence. (See Appendix 4).

(f) LETTER OF APPROVAL FOR USE OF PIER/LANDING PLACES WHERE APPLICABLE
Issued by the Owner/Manager of the facilities.

(g) Any other documents or requirements as may be required by the Port Master.

9.2 ADDITIONAL REQUIREMENTS FOR FLOATING CRANE AND CRANE BARGE
The owner or operator of every floating crane or crane barge shall:

(a) Deposit a copy of the vessel’s General Arrangement Plan with OSDC. (The GA Plan should show the correct heights of the crane in the fully raised and stowed positions respectively).

(b) Make a declaration (in the prescribed form) on the exact heights of the crane in the fully-raised and stowed positions respectively.

(c) Certificate of Test on the Lifting Appliances by the Singapore Factory Inspectorate or their approved agents.

(d) An Attestation Certificate of Seaworthiness for use in port issued by any one of the nine recognised Classification Societies. (See Appendix 5).
