Regulation VI/1: Mandatory minimum requirements for familiarization and basic safety training and instruction for all seafarers

Section A-VI/1.1: Familiarization training

Before being assigned to shipboard duties, all persons employed or engaged on a seagoing ship other than passengers, shall receive approved familiarization training in personal survival techniques or receive sufficient information and instruction, to be able to:

.1 communicate with other persons on board on elementary safety matters and understand safety information symbols, signs and alarm signals;

.2 know what to do if:
   .2.1 a person falls overboard,
   .2.2 fire or smoke is detected, or
   .2.3 the fire or abandon ships alarm is sounded;

.3 identify muster and embarkation stations and emergency escape routes;

.4 locate and don lifejackets;

.5 raise the alarm and have basic knowledge of the use of portable fire extinguishers;

.6 take immediate action upon encountering an accident or other medical emergency before seeking further medical assistance on board; and

.7 close and open the fire, weathertight and watertight doors fitted in the particular ship other those for hull openings.
APPENDIX 2

Regulation VI/1: Mandatory minimum requirements for familiarization and basic safety training and instruction for all seafarers

Section A-VI/1.2: Basic training

Seafarers employed or engaged in any capacity on board ship on the business of the ship as part of the ship’s complement with designated safety or pollution-prevention duties in the operation of the ship shall, before being assigned to any shipboard duties; receive appropriate approved basic training or instructions in:

1. personal survival techniques as set out in table A-VI/1-1,
2. fire prevention and fire fighting as set out in table A-VI/1-2,
3. elementary first aid as set out in table A-VI/1-3, and
4. personal safety and social responsibilities as set out in table A-VI/1-4.

APPENDIX 3A

Regulation II/4: Mandatory minimum requirements for certification of ratings forming part of a navigational watch

Every rating forming part of a navigational watch on a seagoing ship of 500 gross tonnage or more, other than ratings under training, shall be duly certificated to perform such duties.

Every candidate for certification shall:

1. be not less than 16 years of age;
2. have completed:
   2.1 approved seagoing service including not less than six months training and experience, or
   2.2 special training, either pre-sea or on board ship, including an approved period of seagoing service which shall not be less than two months; and
3. meet the standard of competence specified in section A-II/4 of the STCW Code.

Seafarers may be considered to have met the requirements of this regulation if they have served in a relevant capacity in the deck department for a period of not less than one year within the last five years.
APPENDIX 3B

Regulation III/4: Mandatory minimum requirements for certification of ratings forming part of a watch in a manned engine-room or designated to perform duties in a periodically unmanned engine-room

Every rating forming part of an engine-room watch or designated to perform duties in a periodically unmanned engine-room on a seagoing ship powered by main propulsion machinery of 750 kW propulsion power or more, other than ratings under training, shall be duly certificated to perform such duties.

Every candidate for certification shall:

.1 be not less than 16 years of age;
.2 have completed:
   .2.1 approved seagoing service including not less than six months training and experience, or
   .2.2 special training, either pre-sea or on board ship, including an approved period of seagoing service which shall not be less than two months; and
.3 meet the standard of competence specified in section A-III/4 of the STCW Code.

Seafarers may be considered to have met the requirements of this regulation if they have served in a relevant capacity in the engine department for a period of not less than one year within the last five years.
