ASSURANCE AND GROWTH

OPPORTUNITIES FOR MARINE INSURANCE IN SINGAPORE
As a leading maritime centre, Singapore is where the world congers and where ideas and opportunities in global and regional markets, a pro-business environment, an extensive business network and quality live...
As a leading maritime centre, Singapore is where the international maritime community congregates and where ideas and opportunities abound. Offering unparalleled access to the global and regional markets, a pro-business environment, a ready pool of skilled expertise, an extensive business network and quality living, Singapore is your key to Asia Pacific.

**PROXIMITY IN TIME, SPACE & CULTURE**

Singapore brings you closer to your clients - in location, time-zone, culture and language:
- Over 182 Cities in 57 countries by air
- Over 600 Ports in 123 countries by sea
- Multi-lingual talent pool, who understands the Asian culture and can effectively communicate to your global clients
- Same time zone as most Asia Pacific markets to allow you to efficiently and effectively meet the needs of your regional clients

1. Abu Dhabi, Auckland, Dubai, Fiji, Wellington
2. Colombo, Kolkata, Lahore, Chennai, Manadal, Islamabad, New Delhi, Mumbai
3. Adelaide, Almaty, Brisbane, Canberra, Shikar, Guam, Kathmandu, Melbourne, Port Moresby, Sydney, Yangon
4. Jakarta, Osaka, Saipan, Seoul, Tokyo

**QUALITY LIVING**

Singapore is simply great to live and work in:
- Ranked “top for quality of life in Asia” in the Mercer Quality of Living 2009 survey
- Strong expatriate community support
- Over 30 foreign and international schools to cater for children’s learning needs

**SINGAPORE IS YOUR KEY TO ASIA PACIFIC**

Singapore provides you a comprehensive integrated business network of shipowners/operators and maritime service providers.

**EXTENSIVE BUSINESS NETWORK**

Over 5000

- Marine brokers and international Group Protection & Indemnity Clubs specialise in covers for various classes, including hull and machinery.
- Offshore energy and P&I.
- Over 100
- International shipping groups have chosen to manage their strategic and commercial management from Singapore.
- Maritime establishments employing about 350,000 people have a presence in Singapore and contribute some 7% of Singapore’s GDP.

**PRO-BUSINESS ENVIRONMENT**

Rated by World Bank in 2010 as “the world’s easiest place to do business”, the Singapore Government ensures a business-friendly environment built upon political stability, a transparent regulatory framework and a conducive business environment.

Singapore welcomes marine insurance players with strong financial positions and risk management expertise to set up in Singapore. You can benefit from assistance programmes and incentives relevant to insurers, reinsurers and insurance brokers writing marine business.
